We have completed our assurance engagement in respect of the compliance of WEL Networks (the "Company") in the preparation of Schedules 1 to 4, 5a to 5g, 6a and 6b, 7, 10(i) to 10(v), the explanatory notes disclosed in Schedule 14 (the "Schedules") in accordance with the Electricity Distribution Information Disclosure Determination 2012 (the "Determination") for the year ended 31 March 2014.

#### ***Directors' Responsibilities***

The Directors are responsible for preparation of the Schedules in accordance with the Determination and ensuring the Company keeps records to enable the preparation of the Schedules that are free from material misstatement.

#### ***Auditors' Responsibilities***

Our responsibility is to express an opinion on whether the Company has complied, in all material respects, with the Determination in the preparation of the Schedules for the year ended 31 March 2014 and to report our opinion to you.

#### ***Basis of Opinion***

Our engagement has been conducted in accordance with ISAE (NZ) 3000, Assurance Engagements Other than Audits or Reviews of Historical Financial Information and SAE 3100 Compliance Engagements to obtain reasonable assurance that the Company has complied, in all material respects, with the Determination in the preparation of the Schedules for the year ended 31 March 2014.

The procedures we performed were based on our professional judgment, including assessment of the risks of material misstatement in the Audited Schedules, whether due to fraud or error. In making those risk assessments, we considered internal controls relevant to the Company's preparation of the Schedules to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Our procedures included analytical procedures, evaluating the appropriateness of assumptions used and whether they have been consistently applied, and agreement of the Schedules to, or reconciling with, source systems and underlying records. We included an assessment of the significant judgements made by the Company in the preparation of the disclosure information and also evaluated the overall adequacy of the presentation of supporting information and explanations.

These procedures have been undertaken to form an opinion as to whether the Company has complied, in all material respects, with the Determination in the preparation of the Schedules for the year ended 31 March 2014.

We believe that the recorded evidence and explanations we have obtained is sufficient and appropriate to provide a basis for our opinion expressed below.
