

Meet the NETWORK DELIVERY & PERFORMANCE TEAM NDP

Helping WEL work *smarter*, not harder.

We turn data, processes and insights into better outcomes by supporting our people with better ways of working.

WHO WE ARE

A team of problem solvers, analysts, and improvement champions working together to make work easier, smarter, and more effective.

We combine data, insight, quality assurance, and continuous improvement to help teams make better decisions and achieve better outcomes.

WHY WE EXIST

To help WEL make better decisions, improve performance, and create value through trusted information, quality assurance, and continuous improvement.

HOW WE HELP

Simplify processes

AWP
Develop and monitor the AWP to provide visibility of delivery progress, performance, and emerging risks.

Improve data quality and trust

Provide insights for better decisions

Support continuous improvement initiatives

Partner with teams to solve problems

Together,
**WE HELP WEL
WORK SMARTER.**

For our people.

For our network.

For our customers.

*Better decisions.
Better processes.
Better outcomes.*

NDP = NOTICE. DISCOVER. PROGRESS.

Looking, learning, and improving together every day.
